

THE ANT, THE PLANT, AND THE CATERPILLAR

Activity Sheet

SAVE THE BUTTERFLY MAZE

Help Nathan, the Notoncus Ant reach Lucida the Eltham Copper Butterfly first, to save her from the Huntsman spider and the European wasp. Hurry.....

MEASURE THE SIZE

This is the size of the Eltham Copper Butterfly. It is a very small butterfly, about the size of a 10 cent coin. Can you measure the coin with your ruler?

It iscm wide.

FILL THE GAPS

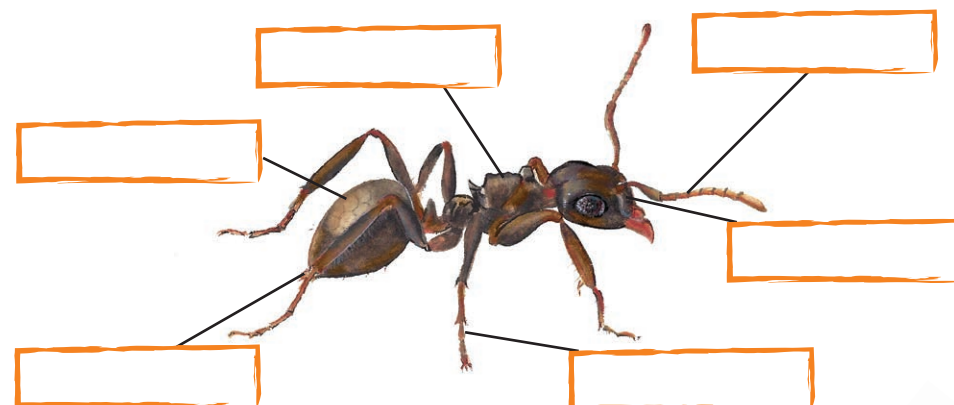

1. The Eltham Copper Butterfly lays her eggs upon the Bursaria bush.
2. The Huntsman,, and the European are predators of the ECB Caterpillar.
3. The Notoncus protects the ECB caterpillar and they live in an underground
4. The Eltham Copper has coloured wings on top.
